FINALS TIE BREAKER: How many hours will these be on tap before one of the 1/2 barrel kegs is empty?

MY GUESS: _____

How to play: Pick ONE brewery from each regional bracket to advance, winners will be determined by ounces sold during their "Game Period". Write in your choice to win each region, then pick a winner from your selections for each Semi Final Game, next pick a TOURNAMENT WINNER between your finalists. If your bracket matches the final bracket, you will be entered to win a grand prize including cool stuff from all 16 participating breweries. GOOD LUCK!
